Subject: Testimonial and Magnesium oil ordering

Greetings Elder

It's Pierre from new York. I recently put my mom on bionaid and zeoheal as of last week and she instantly noticed that the inflammation in her feet has been reduced. She reports feeling better as well. I have experienced faster healing from sports activity and increased energy I wanted to thank you for referring me to buy the d-ribose product she will be using that as well. I have been so impressed by your product I ordered a case of each this morning. I plan to have my older sister using it as well. I must stay stocked up. I still never received any word from the coop. I will be sharing my experience with your product with some high conscience people I communicate with online.

Thank you again comrade for such a wonderful product at a fair price, and may you continue to be blessed by the Creator.

P.S. I look forward to the movie you are working on and can't wait to receive my order in the mail
